

A level English courses are taken by students doing a wide variety of other subjects, in Arts, Humanities and Sciences. They go on to many different courses and careers. English is often a component in degree courses in Humanities as well as being a very popular choice as a single-subject degree. The skills that you learn are a useful starting point for careers in the arts and the media, law and business, and in other professions where creativity, critical awareness and the ability to communicate clearly are needed.

We hope you enjoy completing these tasks and look forward to you joining the course.
